Calling all singers. Advocating Change Together (ACT) is starting a new singing group. It's for **people with developmental disabilities and their friends and allies**. All of us together. All voices welcome!

We'll meet **once a month** to sing, have fun and eat food. We'll sing all sorts of songs: some that talk about our **pride**, our **power** and our dreams. And some just for **fun**. Then we'll perform once or twice around town. The singing will be led by Bret Hesla.
